

Come Build Jerusalem

Using 70,000 LEGO blocks

Sunday, May 21, 2017

9:30-11:30am

*Please arrive on time as the program
will start promptly.*

Building Blocks Workshops have led family programs all over the US. They will lead everyone in the construction of a 400sq feet LEGO model of the entire old city of Jerusalem. It will include the walls, the gates, The Kotel, the beit hamikdosh, David's Tower, the Montifiore windmill and 80 buildings within the walls.

**Parents, Grandparents and Children
Come together and build as a team!**
